**PETITION TO MODIFY THE CONDITIONS OR TERM
OF SUPERVISION WITH CONSENT OF THE OFFENDER**

PETITIONING THE COURT

To modify the conditions of supervision as follows:

As directed by the probation officer, the defendant shall participate in a program of mental health treatment, which may include the taking of prescribed psychotropic medication.

Justification:

On April 29, 2005, the offender was sentenced to one year probation. She has resided at Turning Point Fresno Comprehensive Sanction Center since commencing supervision. Since her probation began, the offender has been addressing her drug addiction through counseling and methadone treatment, but has struggled to secure employment. Recently, the offender reports experiencing extreme anxiety, especially when out in the community. She has requested assistance in addressing this problem and has voluntarily signed the "Waiver of Hearing" agreeing to modify her conditions to include a mental health condition.

Respectfully submitted,

/s/ Philip Y. Mizutani
